ANNUAL PUBLICATION BY THE

SENIOR CLASS OF 1953

# Foreword

How best to tell the story of a year at Bluff City High School? Is it possible to portray the moments of joy, despondency, and triumph which are the essence of life on the Bluff? We still don't know. But after a year of earnest effort to recapture those memories which will be indelible for all of us, we do know it's quite a task. If we have succeeded in only part recording for posterity that which has taken place, so that future glimpses of this book will stir fond memory, we feel that the attempt has been worthwhile.

# Dedication

*We,* the Senior Class of 1953 dedicate this annual to our Principal, Mr. Kenneth Carrier; to Mr. J. H. Pierce who served as Principal of Bluff City High School 1937-1952, and to Mr. Paul Boy who was a member of the Board of Education 1940-1952. They have guided us willingly and unselfishly in every undertaking. Through their unfailing and loyal leadership we have been able to accomplish the many tasks that accompany the joy of being a student of Bluff City High School.

# Class History

In September nineteen-hundred and forty-nine, 92 mischievous and bashful little boys and girls first entered Bluff City High School. Our chief ambitions were to learn the place and the faculty, which we did with much effort. At first we were always at the wrong places at the wrong times, but we soon settled down to the routine of school life.

The class officers we elected for our Freshman year were: Harold Pippin, President; Bill Pierce, Vice-President; Elaine Carrier, Treasurer; and Beckey Cornett and Barbara Grace, Reporters. Our sponsors for the four years were: Mrs. Ruth Stone, Coach Charlie Fleming, and Mr. W. A. Meredith.

During the fall we held our first class outing. We had a wonderful time eating hot dogs and everything that goes with them, afterwards we went to the football game at Bristol to see Tennessee High vs. Johnson City. The majority of the class attended and everyone had a grand time.

We entered our sophomore year with less awe of the upper classmen and faculty. We were not so bashful and much more mischievous. Our class officers for this term were: Harold Pippin, President; Tommy Arnold, Vice-President; George Honeycutt, Secretary-Treasurer; Matt Cox, Jr. and Joanne O'Dell, Reporters. That year we enjoyed a full day of activity at Hungry Mother Park.

We were a jolly class when we entered our Junior year at B. C. H. S. Again we elected Harold Pippin as our President; Tommy Arnold, Vice-President; Jean Penley, Secretary; Martha Anne Carrier, Treasurer; George Honeycutt and Helen Dishner as Reporters. Mrs. Dorothy Sanders became one of our sponsors.

That year proved to be filled with excitement, socials, and a little more learning than usual. We held our Junior-Senior Banquet at Hotel Bristol in February. Mr. Tom Frye, Pastor of the First Presbyterian Church, Bristol, was guest speaker. The theme "Sweethearts" added to information as well as the fun. This was our gift to the Seniors of '52.

The Junior Play "Sunbonnet Jane of Sycamore Lane" was a great hit. Betty Sue Hawks played the leading role as Sunbonnet Jane.

In the fall of '52 the great day finally arrived. We were seniors at last! We elected as our class officers to reign over us the last nine months of our high school career, Harold Pippin, President; Tommy Arnold, Vice-President; Elizabeth Hopkins, Secretary; Jesse Smith, Treasurer; and Norene Vance and George Honeycutt, Reporters. Later we elected Wanda Strickler, Treasurer when Jesse Smith went to the Navy.

Fellow classmates, do you remember what happened on November 7? All the seniors were crowded in the little room anxiously awaiting Mr. Carrier's return from the depot with our class rings. They were beautiful and we were completely happy.

As seniors, we are sorry to have lost two of our close friends and fellow classmates, Jesse Smith and Howard Cross, who left us for a very worthy cause—to fight for our country.

Do you recall all the confusion and fun we had on December 2? Dr. Derthick was here giving vocational tests and Mr. Inscho was taking pictures for our yearbook. To top it all the Music Department was having dress rehearsal for the operetta, "The Lady Says Yes."

Our class has broken the record for young marriages. Five of our senior classmates were married during our last year of school. These were: Helen Andis Greene, Joan Stafford Ball, Norma Woods Kaylor, Matt Cox, Jr., and Robert Leonard.

To some graduation from high school seems the end of a formal education. But graduation is more than that. We have just begun to learn; and whether we enter college or begin a career, or be home makers, we shall endeavor to go forward much better equipped than those who have not been here.

If the seniors could choose a mascot, I'm sure it would be Matt's small son, Matthew Douglas. Remember the day Matt came to school late, handing out cigars?

As we leave Bluff City this year, we have in our hearts a touch of sadness. We shall never forget the true words of our school song—"and as we sadly start, our journey far apart, a part of every heart lingers here."

## We, As Seniors

We, as seniors wish to say
As we all go our separate ways
Looking back on the past four years
We remember them with happiness
And not with tears.
In 'Forty-nine we entered here
To begin our Freshman year
Now we are seniors and as we leave
We have a goal we must achieve.
Many errors we'd like to erase
And put something nice in each one's place
But this we know cannot be done
So we'll take our mistakes
And profit by each one.
As we begin our journey long
Into the world of right and wrong
We must strive to do our best
And to withstand the hardest test.
The path is rough that we must plod
But we will always look to God
And with His guidance to see us through
Our sorrows and failures will be few.

*—Blanche Lyons*

## Motto

*What you are to be, you are now becoming.*

## The Halls of B.C. High

(Tune—Halls of Ivy)

Oh, we love the days we've spent here
In the halls of B. C. High
And it won't be long 'til we will have
to say good-bye.
To the school we've loved so well
Each senior bids farewell
And when we're gone we hope you'll
Sometimes think of us still.
And as the years go by
We'll remember with a sigh
The happy days we ever can recall
As down the halls we go
You'll hear the loud echo
Of our footsteps as they fade away.
To dear old B. C. High
We bid a sad farewell
We wonder what our future holds
But time alone can tell.

EVENT: Reunion of the BCHS Class of '53
PLACE: Bluff City, Tennessee
TIME: June 30, 1963

The reunion had been planned for months and as the time drew near excitement and curiosity filled the air.

Ten years have elapsed since sixty-five Seniors of the Class of Nineteen-hundred and fifty-three had walked through the doors of BCHS with stardust in their eyes and ambitions in their hearts; and now they are returning to reveal what Fate had in store for them.

George Honeycutt, to no one's surprise, is now a famous brain surgeon. Freda Lynn Watson is his head nurse. His latest experiment is to locate the loose bolt in comedienne, Mildred Perry.

Leon Simerly, after setting a record for himself as coach of Vanderbilt, is now a filibuster and is expected to run for President on the Republican Ticket.

Bonnie Miller is the chief interior decorator at Rich's Department Store in Atlanta, Georgia.

Lewis Sams now has a starring role on TV as the "Fat Man."

Iva Lee Lewis, torch-singer, has a two-year contract to appear nightly at the "Casino" in Chicago. The club is owned and operated by Lois Ann Rutledge.

Tommy Arnold is head coach at U. T. He replaced General Neyland five years ago, and is still there "firstest with the mostest."

Mrs. Hicks, the former Anna Lee Glover, is residing in Erwin and rearing "little Hickses."

Ross Perry won first place at the Indianapolis Speedway. Bobby Minton is his mechanic.

Willeta Harmon, English teacher in Oklahoma, has had an offer to star in an MGM picture portraying the radio star of yester-year "Our Miss Brooks."

Billie Childress is married and living in Ohio. Her sister, Bettie owns a chain of theatres in Pennsylvania.

Rosemary Morton is happily married and helps her husband Tom, coach their sons that make up the Bristol Twins.

Blanche Lyons is a noted dress designer in New York. She creates the costumes for Betty Brooks. Betty is the star of the "Ice Follies."

William Casaday, noted scholar, is on a lecture tour in Europe with his manager, Lynn Cross. Their topic at the present is "Adventure with an Atom!"

Catherine Rutledge, WAF, has made the Air Force her career. She gets around as much as ever.

Howard Cross recently wrote a series of articles entitled, "Quit That Tickling Me!"

Wanda Strickler has graduated from college and she is now a teacher at U. T.

Faye King, Hollywood's latest discovery is keeping up the fad of fading husbands. Her latest picture, "Here Today, Gone Tomorrow" was produced and directed by Edgar Casaday.

Arlyne Jones' latest blues hit, "Sugar Babee" is number one on Hit Parade for the 8th consecutive week.

Barbara Grace, golf pro started on a world cruise but her restless heart got no farther than Greensboro, North Carolina.

Joyce Weaver is now a lab technician and is well on the road to being another Einstein.

Helen Greene is Secretary of Defense, it all started when she went with Alvin to the Army. Leave it to Helen to make improvements.

Marie Stanfield operates a beauty shop in Chinquapin Grove.

Evelyn McDougall, best Yankee cook in this Rebel Land, often swaps recipes with Joan Stafford Ball, mother of the Dodger Baseball Team.

After serving four years in the Navy, Jesse Smith is a Stock Broker in New York where he remains the "elusive bachelor."

Virginia Sams proved that the best secretaries never marry, she's now the highest paid secretary in the Tri-City Area.

Norene Vance is now editor-in-chief of the "Vance's Tank Gazette."

Dolly Perry is a member of a "famous string band," The Lindamood Band.

With a Home Economics major from State, Joanne O'Dell has her "Little Log Cabin" and the man she loves at last. It was built by Earl Booher and Company.

John Weaver is now the friendly undertaker for Weaver's Community.

Betty Shepherd is our Supreme Court Judge. She's still trying to decide! . . Period!

Elaine Carrier, Interior Decorator of Bluff City, is now decorating the home of Robert Leonard located on "Sunset Drive," one of the most elite sections of this fair city.

Bill Pierce, sports commentator, scholar, and inventor cut quite a niche in life. His last invention, the "wachemacall-it," is sure to be a success when someone discovers the reason for it.

Donald Littrell, famous scientist, invented a super-space ship and is now stranded on Mars.

Doris June Carrier swam the famed "Holston Channel" last summer, she holds the world's record for free style swimming.

The "Night-Hawk Hotel," located on Island Road, is owned and operated by Dorothy Knight and Betty Sue Hawks.

Harold Pippin is a successful dentist in Miami, where he howls nightly at the "Tabu Club" with some of his patients.

Lula Mae Lewis sparks the "Famous Redheads," professional basketball team.

We found that several members of our class are now teaching at BCHS: Joyce Smith, Shorthand; Harold Phillips, Agriculture; Bernice Blaylock is married and teaching Physical Education.

Jean Penley's career included building up the Carrier Taxi Run to Elizabethton.

Jackie Lewis is now America's Ambassador to France and Elizabeth Hopkins is his secretary.

The former Evelyn Morrell recently captured the title of Mrs. America in Atlantic City.

We all know that James (Lay-em-in-the-aisle) Millsap is the best comedian since Godfrey.

Evelyn Gentry has published a number of books written by Billie Jean Cox, whose latest was, "The Kids and I."

Becky Cornett is now Vice-President of the King Printing Company. Some career woman!

Norma Woods Kaylor is one of the best home makers in Sullivan County.

Guess who's playing "John Paul Jones!"—Lewis Lilly is now an Admiral in the Navy.

Martha Ann Carrier has won national recognition as Coach of the famous "Globe-Trotters."

Mabel Boling is singing with the "Metropolitan Opera" which is conducted by D. L. Lowrie.

Matt Cox, Jr., his wife Marie, and all the little "Budgies" are happily settled down on the farm.

Things will never be the same again for those jet-flyers since Wanda Preston made her home in the wild blue yonder as airline hostess.

It was really a treat to find out about the rest of the gang after so many years.
